## **Eligibility Guidelines for Basketball and Cheerleading**

I understand that I am eligible to play basketball and participate in cheerleading if I meet the following requirements:

- maintain a 76% or higher in every subject
- maintain an S or O in Art, and PE
- receive no behavior conduct notices ( 3 demerits for behavior)

I understand that the eligibility list will be circulated every other Friday; starting the second Friday after practice begins. If any of my grades drop below a 76%, I receive a “U” in the above mentioned classes, and/or I have earned a behavior conduct notice (3 demerits for behavior), I will be ineligible to play basketball or participate in cheerleading the next basketball game.

After being ineligible for one game, I will be permitted to play until my grades are refigured at the end of the normal two-week period, if at that time my class average is 76% or higher, I will be eligible to play basketball or cheerlead.

I will be notified Friday afternoon if I am ineligible for the following week.

I have read and understand the St. Lawrence Basketball Guidelines and School Eligibility Standards.
