November 4- Deanery Speech Competition

I hope everyone has had a great start to their Fall Break. It is a great opportunity for us to catch our breath, enjoy the changing season, and relax with family. Last week our 8th graders worked very hard at the Red Bird Mission in Clay County, Kentucky. I had the privilege to accompany them on Monday and Tuesday. Students worked on demolition of a bathroom, fixing a ceiling, and taking a floor down to the skeleton and working it back up. They also had the opportunity to learn more about the community that they served. We had another educator come up to us and tell us that our students were the most polite children that they had ever seen. Great work, everyone!

The tryouts are complete and I am happy to announce the members of our 5th and 6th grade Speech Team. Way to go Luke Thornton, Steven McAndrew, Max Longo, Ninah Lewis, Madison Terrill, Rebecka Geuss, and Raegen Atkins. They will be led by Mrs. Noel and student coaches Madison Rahschulte, Lucy Thornton, Jacob Hemme, and Ella Rolfsen. The competition will be held on November 4 at Oldenburg Academy.

By now you should have returned your sign-up forms for our report card conferences. The report card conferences will be held on October 18 and 19. If you do not know when your conference is scheduled for, please let me know. Junior High Teachers will hold an open door policy during that night on a first come first serve basis. The teachers of the specials will also hold an open door policy. Report cards will be sent home with your students on Tuesday afternoon.

Next month we will have the first grade hosting the service project. The first graders will be collecting socks that they can give to the Cincinnati Childrens' Hospital. In addition to that, they will also be doing a little research and writing some letters to the patients at the hospital. You are more than welcome to donate any packs of unused socks, or provide a dollar for St. Lawrence to purchase socks. What a great idea for the first graders. I look forward to seeing the cards and how many socks are collected.

Please check over the server and bingo schedules on the back page. We will be back in school on Monday, October 16. I wish everyone a wonderful rest of the break. God bless!
