

Dear Parents:

We made it to spring break! This has been another great week. We were blessed to welcome our newest members to the St. Lawrence Junior Honor Society, witness an incredible talent show, and raise some money through our Fun Run. What a fantastic way to end the third quarter! As we head toward the finish line for the school year, let's make sure we are doing our best as all of the distractions of spring and summer make themselves present.

We have a special surprise upon our return from spring break! See you on March 30th.

God Bless,
Mr. Detzel

Academic Corner

Students, teachers, and parents all share responsibility in the education of a child. As a parent, here's a minimum level of involvement most teachers expect:

- **Help your student by developing a routine or specific time for homework where you are available to help or listen if needed. You are vital to their success.**
- **Ensure your child is at school, on time, every day possible. Arrange for vacations, trips, etc. during days off school.**
- **Make sure your child eats a healthy breakfast each morning so they can function in class.**
- **Make sure your student is getting adequate sleep at night to support their growing body and mind.**
- **Be a positive role model in your child's eyes who shows interest in reading and learning new things.**
- **Notify the teacher of any concerns or questions you have regarding their learning or treatment in school.**
